

PHOTOGRAPHER VIDEOGRAPHER OPPORTUNITY

key information

Accountable to **Communications & Design Coordinator**

Salary **Based on project / brief**

Contract **Casual / Freelance**

Hours **based on specific projects or events**

Location **working in different locations and circumstances**

the role

This is an exciting opportunity for student photographers and/or videographers to be a part of helping MDXSU highlight events throughout the year.

This includes taking photos of and filming our Welcome Month events, monthly clubnights, conferences, campaigns, and capturing stock images for digital and print promotional materials.

We're looking for a confident individual who is interested in and/or has qualifications in photography or videography. You must be able to work in busy bustling nightlife environments with big crowds. You must be friendly and confident enough to approach groups and different types of people and expected to capture what is needed.

You will be expected to supply a minimum number of photos at each event (generally 200) and edit the photos as necessary, sorting any duplicates etc. Photos must be given to MDXSU within an agreed timeframe. The photos will be the property of MDXSU for our use in marketing and communications, though you are welcome to use images within your portfolio websites or profiles.

You will need to supply your own equipment to enable you to fulfill the brief, though we will help you locate necessary equipment where possible.

how to apply

Email **Camelia Purwanto** at **c.purwanto@mdx.ac.uk** your interest in the role, alongside your CV and Portfolio.

Application Deadline
