

Omar Numaan | Community & Citizenship Officer

Omar Numaan Khan for Community and Citizenship officer

My name is Omar Numaan, a final year business student with an ambition of running a successful campaign in the elections for the post of Community and Citizenship Officer. For the past three years I'm working with the students union as the President of Pakistan society which helped me develop skills needed to work closely with / for the community.

#votefor
khansaab

Goals:

- Address community concerns
- encourage sustainable practices
- conduct awareness programs
- focus on student complaints
- build strong connection between students and university

Why vote for me?

I have been working with the students very closely in the past years and was able to successfully convey their voice to the student union which helped me in producing great community events and helped me to gain their trust aswell. I also stay connected with my community through various social media groups which helps the students to gain confidence aswell as help them through any problems they are facing in the university.
