238 candidates ran to become a student leader across 64 groups, and 403 student group members voted in this election, with a total of 2,696 votes cast.

Congratulations to the students who have been elected to their positions. The students who were not elected still have the chance to be involved in their society and are encouraged to continue being an important part of their student group.

For all roles not filled, we will be holding a by-election later this year.

Where a candidate has won more than one position, they will be asked to choose which role they wish to take on with nominations for the other role opening up again in the next by-election.

Individual count sheets can be made available upon request at elections@mdx.ac.uk

FOR ROLES NOT FILLED, WE WILL BE HOLDING A BY-ELECTION LATER THIS YEAR.
